

The Wellness Equation

Exploring the healing connection between yoga + medicine

This book is a must for:

- Medical practitioners
- Alternative healthcare providers
- Physical therapists
- Personal trainers
- Chiropractors
- People struggling with addictions
- Those seeking greater overall health
- Anyone who wants to make a positive change in their life

“This is excellent information. I have had the immediate opportunity to implement elements I learned about patient care. Transitioning from poses to increase and decrease base of support in itself is a powerful tool, but when combined with root chakra unwinding and the breath, it becomes exponentially beneficial to patients. It is time for therapists to discover the powerful tool that yoga is. This book facilitates that.”

— Peder Dahl, Physical Therapist
Phoenix, Arizona

Health/Nutrition/Fitness And Alternative Medicine

“This magical book brings together the wisdom of modern physical therapy and the ancient yogic understanding of the body — a must read! Ms. Lindsey provides us with a rich grasp on how to build your body for a healthier, happier life.”

Sangeet Kaur Khalsa, KRI Senior Lead Trainer

AUTHOR MICHELLE LINDSEY-WEHNER, PT, MBA, CPT shares practical, simple, highly effective yoga techniques that will enable you to become more aware of your body and breath, creating peace, enjoyment of your life and improved health. Michelle blends her experience as a physical therapist and certified personal trainer with her Kundalini Yoga practice, as taught by Yogi Bhajan. You will find hands-on postures, exercises and learning experiences. If you are a therapist, she has also included information on how you can receive optimal reimbursement when implementing therapeutic yoga in your practice.
